PRESIDENT'S CORNER

16, March, 2015

Hello All,

By the time everyone is reading this, the Azalea Festival Coin Show will be upon us. All of our work and planning will come together to be what I believe a GREAT Show!

We have held the past several shows at the American Legion, but this year we will be holding the show at the Elks Lodge on Oleander. Being

relatively new to the coin club, I was not present the last time we utilized the Elks Club Location for a show. The Elks has a little less space than we had at the American Legion and this is a concern to me. Still, the location and the other factors make the Elks Lodge a good choice for a venue.

I'd like to hear afterwards, from all individuals involved with the show, their thoughts on this location and should we continue to hold our shows here. The Board of Directors will have a lot to consider afterwards.

Overall, things are looking good for the upcoming show. We are excited to be adding the presence of a food truck to bring in folks and to offer convenience for our vendors. I look forward to an enjoyable weekend to be had by everyone.

Our prayers go out to Karen Foster's husband, Rob. I'm sure most of you know that Rob is recovering from a heart attack. I know we all look forward to seeing him with Karen at future coin club events.

Til next time, Mike

LAST MEETING

The last meeting of our Club was attended by twenty-eight members and guests. **Dave Provost** from the Raleigh Coin Club gave an excellent talk on North Carolina coins and medals. Of special interest were several photos of Wilmington area medals.

The Attendance Prize was won by our newest member **Robert McCullough**. The 50/50 drawing was won by **Franklin Fussell**. Our semi-junior

member **Ethan Dunn** will be moving away from this area so now maybe Jim and Gaylord will no longer have any competition in our auctions.

Raffle tickets for our upcoming Coin Show were handed out to those in attendance. All members are asked to sell ten tickets and turn in receipts to **Chris Vandall** before the Sunday afternoon drawing. For every 100 tickets you sell you will receive a silver eagle.

NEEDED IMMEDIATELY

Our Club is **STILL** in dire need of someone to design and maintain a new website. If you or someone you know can do this, please contact someone in the Club ASAP. We DO expect to pay for the services.

QUESTION OF THE MONTH

Recently a member asked a question that was sent out to several of you for an answer. The response was HUGE! Due to that experience, we will ask a question every month. If you have a numismatic-related question, let us know. Maybe someone will donate an award to the person with the best answer?

The question asked was, "How does one shop wisely at a coin show?"

The best answer came from R. F. and has been sent to LCFCC members only. The information was to the point and extremely valuable. Answers like this one will definitely be worth the \$15 it costs to join our Club. Join the LCFCC and receive the answer.

This month's question is, '**What's the BEST way to liquidate your collection if no one in the family has any interest in it?**' Please send your response to uffda28411@yahoo.com.

CONSTITUTION & BYLAW REVISIONS

PLEASE contact any officer regarding changes YOU would like to see in our C&BLs. Many of you have good ideas on this subject and a few members are forming a committee to work on this. So far, **Ray Flanigan** and **Bob Neale** have agreed to help on this committee. The first meeting of this committee will be soon after our April Coin Show. If you would like to help by being on this committee, contact any officer or board member.

LAST BOARD MEETING

The March 25 BM was held at The Carolina BBQ Restaurant. Among the many subjects discussed; The 2015 budget was set, an Azalea Festival poster was shown with our Club's Coin Show prominently advertised, 900 raffle tickets are out to members, our meeting programs are full for the year, we **STILL** need an operating website, a new brochure will debut at our Coin Show and a possible souvenir card is in the works. If YOU have any ideas or suggestions for the Club, please let us know.

NEXT BOARD MEETING

The next Board meeting will be held on **April 22, 2015** at **McAlister's Deli at 740 South College Rd. at 6 PM.** All members may attend to voice their opinions. If you want to help on committees, let someone know. Come early to eat.

MEMBER NEWS

Karen Foster's husband **Rob** continues to recover from a heart attack. As of this writing, he is recovering nicely at the NHMH Rehab Unit. **Rich** and **Fran Jewell** are also recovering from health issues. It's good to see them back in NC from their home in Pennsylvania. **Roger Persichilli** attended the recent Baltimore Coin Show.

ANA CORNER

A group of 'Short Snorters' (Banknotes with autographs of military unit members.) was **stolen** following the recent Portland, Oregon ANA Coin Show. Most of these notes were of the WWII era and some were signed by famous movie stars and celebrities of the time. If you see or hear of any groups of short snorters offered please contact law enforcement immediately.

The ANA will have several items from their Money Museum on display at the coin show in Dalton, Georgia April 17-19.

There are hundreds of areas in our great hobby so let us know what YOUR interests are. Remember, you don't have to be a 'speaker' to give a short talk. In fact, if you bring something for 'Show and Tell' there are many members who might make a whole program out of it.

OUR APRIL 2015 AZALEA COIN SHOW

Our annual official North Carolina Azalea Festival Coin Show is right around the corner. The Elk's Lodge will set up the tables and chairs for us on Friday afternoon but you are still invited to come out Friday afternoon and evening to help with other things. Armed and uniformed security will be in place and some dealers will need a hand to haul

their inventories to their tables. If you have a handcart we can use please bring it with you.

The 'Official' ribbon cutting will take place at 10 am Saturday with a couple of Azalea Belles and two Civil War re-enactors. The gold mining crew will be setting up along with the local Civil War Roundtable. With America celebrating the 150th Anniversary of the end of the Civil War, many of the dealers will be bringing related memorabilia and our Civil War theme should encourage a record number of guests and collectors.

A two-hour shift at the door will ensure a smooth flow of visitors and all members are encouraged to volunteer at the April regular meeting. Help will also be needed with the Kid's Korner as well as at the coffee pot.

DOUBLED DIES ANYONE?

At a recent meeting of the Jacksonville-Camp LeJeune Coin Club, a member had several Kennedy halves exhibiting doubled-die characteristics. The website below should help in identifying the many out there. <http://www.doubleddie.com/1801.html>

U. S. MINT NEWS

The 2015 Kennedy half-dollar is now available only on the Mint's website. It will NOT be distributed by banks. A few P and D rolls will be available at our April meeting, first come, first served, see O. T.

The March of Dimes commemorative silver set is also available from the Mint's website for \$61.95.

NCNA NEWS

Our Club may be in the running for hosting an NCNA Convention in the next year or two.

FUN NEWS

The Florida United Numismatists organization is a great regional coin club that is highly recommended as a source of valuable information for beginning AND advanced collectors. Along with the largest coin show in the world every January in Orlando, their website is an excellent place to search for answers to many numismatic questions. Please go to <http://www.funtopics.com/index.html> and be sure

to click on ALL areas. You might even join this group of committed collectors as many of us have already done. Thanks to the FUN organization for sending us a new gavel as a membership bonus.

MISSING, LOST, FOUND

At one time we had two very large **coffee pots** and a **blue banner**. Please check your attics and garages for these items so we can use them at the Coin Show.
